TAMIL NADU FLOOD RELIEF APPEAL

Sewa International appeals to our benevolent donors to provide relief to the Tamil Nadu Rain affected people.

The deep depression over the Bay of Bengal has brought heavy and continuous rains and devastated the South Indian State, Tamil Nadu, and many parts of the city of Chennai. The state is battling one of the worst floods in history. Several districts are submerged, leaving a trail of death and destruction.

The weather department has warned of heavy rainfall for Tamil Nadu, especially over the northern districts of Chennai, Tiruvallur and Kancheepuram. Sewa UK, hereby, requests and appeals to one and all to help and support the victims of the unprecedented rain. It has been termed as the heaviest in over 100 years.
