Bringing Communities Together

Sewa Day has built strong links with those that need help and has empowered numerous individuals to contribute to society. Many neighbourhood watch groups & local organisations have partnered with our food bank drives. Our volunteers encourage a simple message to be passed around their neighbourhoods, asking residents to donate non-perishable items at a set date and time for collection.

Thus bringing communities together in a joint effort to replenish food banks and help ensure that nobody goes hungry during this crisis. If you would like to collaborate with Sewa Day and help make a difference, then get in touch.

Easter Eggs
hand delivered
to Front-Liners,
Key Workers &
the Vulnerable

Over the past week hundreds of Sewa Day volunteers took up an extra challenge to put smiles on the faces of hard working front-liners, key workers, the elderly and children, who had been identified as vulnerable by schools. A staggering 22,000+ Easter Eggs were sourced, collected and delivered by our teams. A special thank you to all the organisations that worked with us to help reach this staggering figure.
