Dear Team,  
I am stranded in London for the past 15 days due to flight cancellations to India . My medicines were finished and I needed medicine urgently and requested FISI team for help since I didn't know anyone in London . Mr Mishra from FISI team called me and helped me in getting medicines.

This is invaluable help in this hour of crisis. I am highly obliged for the help provided to me by FISI .My special and personal thanks to Mr Mishra for all the help.

Please keep up this selfless service.  
May God bless you all !!!

Regards,
