Leave a Legacy Gift in your Will

Often we are not able to do all the things we wanted before our time is up on this planet.

Leaving a legacy is the last thing on our mind. We only think about these things when we are very ill or nearing the end of our life.

The first thought that comes to our mind is to leave something for our nearest and dearest. At that time we forgive their mistakes and try to understand things from their point of view. It's time to think of others as well.

We remember things that gave us joy and pleasure - things that awaken our spiritual consciousness.

Why not leave a little something for those who are less fortunate? Your gift will make a difference to the lives

of people less fortunate than us.

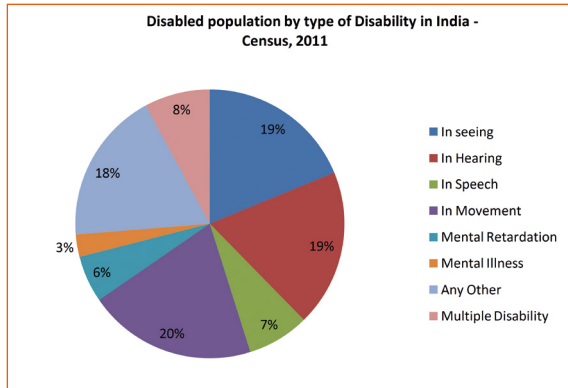

THERE ARE FINANCIAL BENEFITS WHEN YOU LEAVE A GIFT. PLEASE CONSULT YOUR ADVISOR FOR MORE INFORMATION.

Disabled Persons in India

sewa UK has been focusing on projects that support People With Disabilities (PWDs) since 2011

The Census 2011 revealed that in India out of the 1.25 Billion population, about 27 Million persons are 'disabled' which is 2.2% of the total population. 20% of the disabled persons are having disability in movement, 19% are with disability in seeing, and another 19% are with disability in hearing. 8% has multiple disabilities.

Disabled population by type of Disability in India
Census, 2011

In India a child born with a disability is destined for a life of dependency. Disabled children can be a social, financial, mental and physical burden on their poor families. Women with disabilities face further discrimination. Socio-cultural barriers ensure they are stigmatized and denied access to education, social life and even marriage. They are vulnerable to physical and sexual abuse and in some cases subject to infanticide.

sewaUK have been supporting projects to help people with disabilities in India. As our knowledge of the situation and needs develop working in partnership with local communities and NGOs, we will extend our scope and commitment further.

Please leave a legacy gift in your will so that we can continue to help those in need.

How to leave a gift in your Will

- Please consult and discuss with your Solicitor or Legal adviser.
- Make a note of our name, address and registered charity number.
- You'll need to include these when leaving us a gift in your Will.
